Hi Tina;

Really glad UT and WY liked it. I have gotten all good feedback.

Attached is the final ppt that EPA sent me. I am back in the office and next week too.

Mike,

Howdy. Both UT and WY were very impressed with your webinar presentation! Awesome job!

Wondering if you would be ok with me sharing the ppt file with them? If so, could you please forward the final version. I have the almost final version.

Also, remind me to chat with you re. chl-a assessments when you are back. I had a thought on that.

Tina
